

Amrit Kumar Singh

I am a recent graduate with a BCA from Gopal Narayan Singh University, and my academic background has equipped me with a solid foundation in areas such as HTML, CSS, JavaScript, NodeJs and Python. I'm enthusiastic about tackling new challenges, embracing innovation, and collaborating with professionals who share the same drive for excellence.

PERSONAL PROJECTS

Hotel Management Website

- Completed a final year project on hotel management using HTML, CSS, JS, and PHP, focusing on booking, billing, and guest management.

Image Search Engine

- Utilized APIs to fetch images, enhancing functionality in the image search engine project developed with JavaScript.

Portfolio Website

- This is my personal portfolio—a showcase of my web development projects, skills, and contact details. Designed and developed by me.

E-Commerce Website

- Created an E-Commerce website on WordPress, hosted via Hostinger, specializing in selling digital products.

WORK EXPERIENCE

Web Developer (Intern) Agaaz Training Centre

06/2023 - 07/2023

Achievements/Tasks

- As a web development intern at a training center, I focus on learning projects involving HTML, CSS, JS, and PHP.

SKILLS

HTML

CSS

JavaScript

Python

C programming

SQL
